

# Add a Mobile Bookmark on a Samsung Android

This user guide will demonstrate how to add a mobile bookmark of your Personal Financial Website login page from the Samsung Internet on your Android device. This bookmark will provide quick and easy access from the Home screen of your device.

## Add a Mobile Bookmark

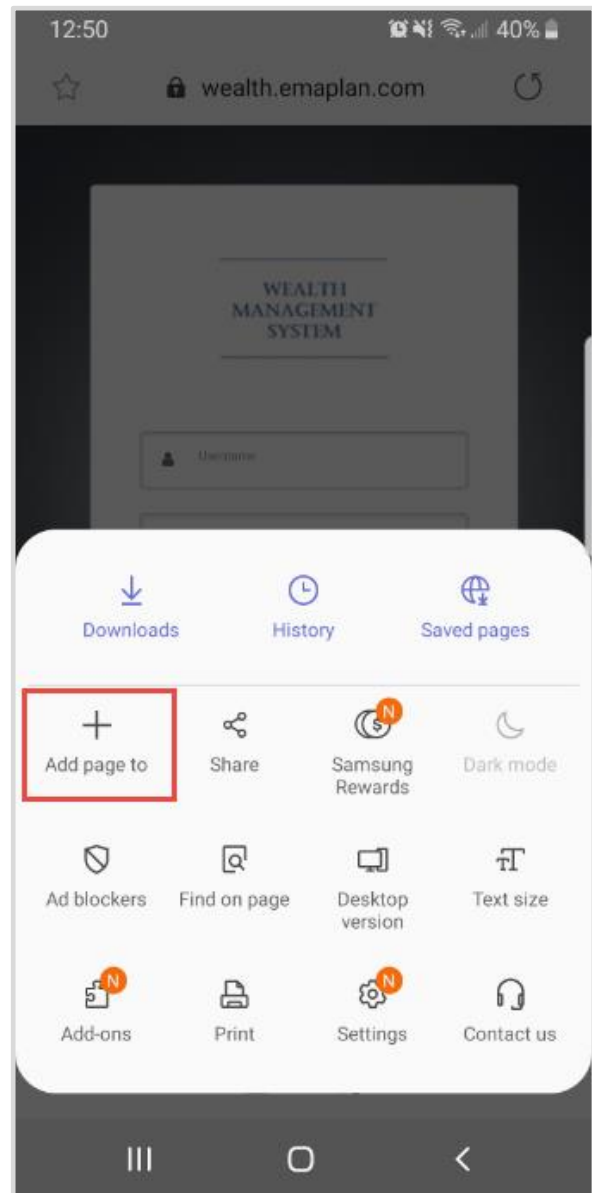

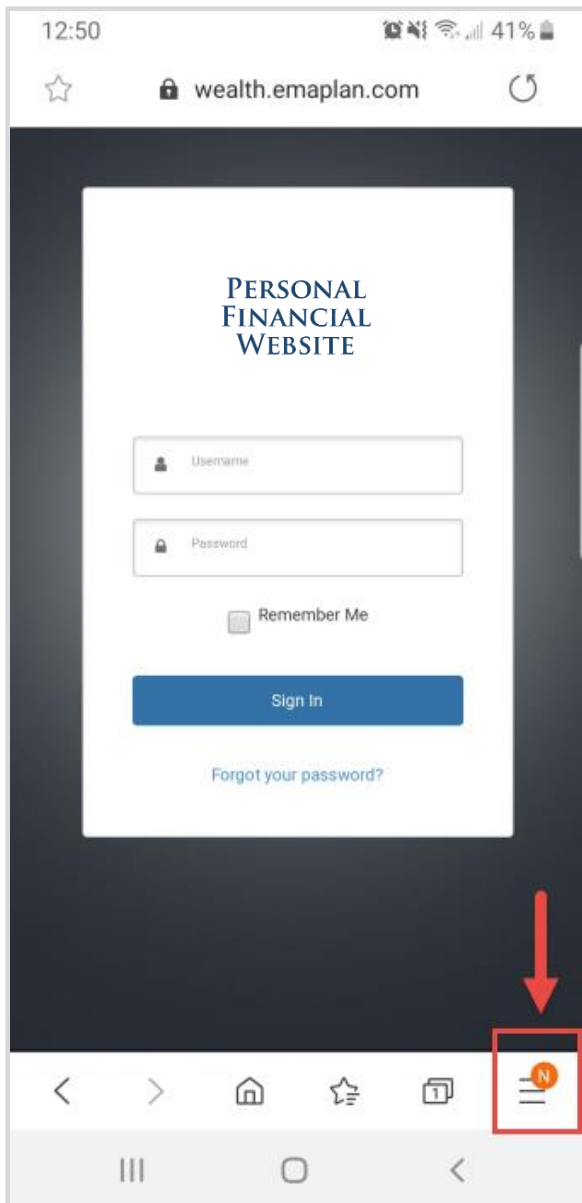

1. Locate and open the **Samsung Internet** browser on your Android device.
2. Enter the **login URL** provided to you by your Advisor.

**Please Note:** To find the login URL, please reference the confirmation email that you received when you initially registered for your website access or contact your Advisor.

5. Tap **Home Screen**.

6. Lastly, tap **Add**. Now you can access your Personal Financial Website from your Home screen!

**Please Note:** When logging into your mobile website, you will be asked to set a **passcode** of 4 or more digits. This is entirely optional, but if you decide to utilize the passcode, any login attempt moving forward will prompt for your passcode instead of your username and password.
